Rules for oral on-site exams, as of March 1st 2022

Continuously updated COVID-19 regulations of the University of Vienna: https://wiki.univie.ac.at/pages/viewpage.action?pageId=178234952

The following guidelines must be observed:

• Registration is mandatory for students. Only registered students are allowed to take the exam.

• Attention to groups that require special attention (information here).

• Mouth-nose protection: The use of FFP2 face masks is still mandatory during courses and exams. For oral examinations, the FFP2 mask may be removed for speech.

• Further recommends: ventilation and air exchange before and, if necessary, between staggered appointments.

• The examiners/examination supervisors are obliged to check the identity of the students by means of photo ID as well as keeping minutes of the examination.

• In case of non-compliance with the security regulations, the responsible examiner/examination supervisor must immediately exclude the student from the examination (documentation and information to the study program management required).
